

Dominique & Debra Barbier

BRAZIL

Join Dominique and Debra Barbier for one of their wonderful trips to Brazil and experience the exotic sights and sounds of this remarkable country. Annually, we offer organized and accompanied tours in February, May and September with clinics in classical French equitation in formal settings as well as on sun-kissed tropical beaches with Mestre Dominique, and also visiting the most spectacular Lusitano stud farms. Attend the world's liveliest party, the famous Carnival in Rio (February), and enjoy the pure magic of Brazil with Dominique and Debra. It will be the ultimate vacation experience and provide a lifetime of extraordinary memories.

We've been to Brazil twice with Debra and Dominique Barbier. In addition to visiting stud farms, we attended Carnival in Rio de Janeiro and then relaxed at the beautiful Toca do Marlin 10 room resort in Bahia. Rio was crazy and wonderful. We watched the best six Samba Schools from the exclusive Brahma box parade – with free beer, free food and the most energizing music and dancing you'll ever experience. We did some sightseeing in Rio, sun tanned on Ipanema beach and then flew to Bahia. We were all so happy just to relax on the deserted beach, eat the wonderful dinners, do some sightseeing, and of course, ride Lusitano stallions every morning!...

... We look forward to you joining us.
