## TESTIMONIALS

### CHARLYN & SECRETO

#### *Secreto*

*M*y passion has always been beautiful horses! My father taught me as a young girl, when he gave me my first pony, that living with horses was one of the most precious gifts nature can offer us. The gift of horses comes with solemn responsibility. He encouraged me to understand the unique essence of each horse and respect their individuality. Secreto is a most beautiful and complex horse; sensitive, athletic, smart, playful and highly intuitive. Secreto listens and trusts. I love communicating with Secreto, on the ground and in the saddle.
