*I* am enjoying every second of my learning with my wonderful Tobold. Because of your help and expertise, I think I have the best horse in the whole world! He is so very talented and such a gentleman, especially for a stallion. Also, his stunning beauty is such a bonus! I have taken off many years from riding and I now have the opportunity to enjoy my passion again. He is the perfect horse for me. He has been so patient and giving while I gain confidence and build my riding skills and yet his talent has allowed me to progress and ride at a level that I never dreamed was possible. He is such a wonderful match for my personality. Thank you so much for helping me find such a wonderful horse. I cherish every minute with him.
