

Dominique & Debra Barbier

TESTIMONIALS

MELINDA

*T*ruly masters of their trade. Working with Debra and Dominique is a privilege for both human and horse. Each training experience is a new one; whether the work is being done during a clinic in Brazil, New Jersey, or private lessons at their home. All are special opportunities to reach deeper and discover the perfection of lightness. Their work will transcend your life; it has mine and that of my beloved horses.
