

Dominique & Debra Barbier

TESTIMONIALS

NANCY & QUITARO DO TOP

*F*or over ten years I have ridden in Dominique Barbier's clinics, nearly 50 of them now, and every time I find I learn something new to work on for the period in between them. Watching him ride my horse is a tutorial in itself, and when he is teaching, I test myself by seeing if I can make the correction in my mind that he will make to the student. The relaxed atmosphere fosters both fun and learning, and I look forward to his coming every year.

Quitaro Do Top

This beautiful horse, Quitaro Do Top, enchanted me in a video tape and fits me like a fine kid glove. Debra and Dominique thought we would be a good match, and I can truly say that I have never ridden any horse more elegant in movement, nor one with a more giving spirit.
