PEREGRINO is a grandson of NOVILHEIRO, the legendary showjumping champion with Britain's John Whitaker, and jumping horse leader of the prize-money rankings in Europe during the 1980s. PEREGRINO is a true '10' for walk, floating lateral work and passage, canter pirouette and isolated changes.

DALIA IV, PEREGRINO's dam, is an important mare, a progeny champion in Brazil, and daughter of RABI, a Veiga bloodline stallion who is very important in the Pinto Barreiros brand.
