An opportunity to acquire a rare, superior genetic improver for breeding programs and, therefore, an exceptional broodmare who has already proven herself as a mother.

Daughter of Brazilian National Champion QUADRO DO TOP, one of the most important stallions, and a son of AFIANÇADO DE FLANDES. RADIANTE's dam is a granddaughter of the Ortigão Costa-branded stallion BABEL, a Champion of the Salon du Cheval in PARIS. RADIANTE brings her genetics with noble bloodlines which serve as an excellent breeding basis for anyone who is looking for natural ability, beauty, and performance.
